

# Volunteer & Guest Participant Agreement

I understand that the Global Family Policy Forum convened by Family Watch International is being held to educate and motivate United Nations diplomats and that I am invited to attend as an observer.

**As such, I understand and agree to the following:**

1. I am not permitted to sit with my delegate and will only sit in designated observer seating. I understand that observer seating may not be in prime locations within the room and may be in areas where there are obstructions and limited visibility.
2. I agree to arrive early before my reserved session begins so as not to interrupt the session. I understand that if I arrive after a session has started I will need to wait until a scheduled break before entering the meeting room.
3. I agree to be properly dressed in business casual or Sunday dress attire and that jeans, denim, t-shirts, fitness apparel, or similar items are not permitted.
4. I understand that conversations among individuals inside the forum cause disruption and distraction. I agree to be mindful of the need for quiet at all times during the sessions.
5. I agree to keep my phone turned off and out of sight during the meetings and will not text, email, or receive calls during the session.
2. I understand that I am not permitted into the dining area with the participants and that I will be responsible for making my own eating arrangements.
3. I will not intervene in panel discussions among government delegates, ask questions of the speakers during their presentations, or make other interventions during the Forum sessions.
4. I will not record or photograph any portion of the Forum.
6. I will not publicize, post to social media or share either verbally or in writing, publicly or privately, any information regarding the Forum, including:
  - The names of delegates, countries, NGO representatives, organizations, speakers or presenters participating in the Global Family Policy Forum;
  - The presentations, discussions, or comments made by government representatives or others participating in the Forum;
  - My participation and/or my organization's participation in the Global Family Policy Forum. (Family Watch International will likewise not be publicizing the Forum to our general membership.)
9. I will not move or adjust chairs or tables, approach resort staff with requests, or otherwise interfere with the Forum operation, set up, clean up or restocking of food and beverages.

**I understand any questions or concerns should be directed to Forum Directors, Kate Law, Kirsten Milsap, or Kori Littler, who will be present at all times during the Forum sessions.**

I agree to adhere to all the above requirements, and understand that the violation of this agreement may result in my being asked to leave the Forum proceedings.
