

GLOSSARY OF DECEPTIVE TERMS

The following definitions for the terms listed below are what sexual rights advocates and comprehensive sexuality education (CSE) advocates usually mean when they use these term. These definitions do not necessarily reflect what these terms should mean.

Term	Definition
Abortion, Legal/Illegal	Illegal abortion is always defined to mean unsafe abortion, and legal abortion to be always safe, regardless of the circumstances or the safety of the procedure
Abortion, Safe/Unsafe	Safe abortion = legal abortion, Unsafe abortion = illegal abortion, used to pressure countries to legalize abortion
Abstinence	Anything goes, including petting, masturbation, rubbing genitals, etc., as long as there is no penetration
Abstinence Education	Fear-based, unscientific, religious instruction on sexuality that shames youth for having sex and promotes homophobia and transphobia. Denies youth the right to sexual information (including information on condoms and abortion).
Access (Give access to)	Note: Often interpreted to imply a right to something. For example “universal access to sexual and reproductive health” can be construed to be a right to SRH. It also can be implied that all legal restrictions must be removed. Often used in the context of sexual information for children or sexual and reproductive health services, interpreted to “include abortion or CSE without parental knowledge or consent.”
Age-Appropriate	This is a term designed to trick people into accepting CSE, giving a false sense of security that somehow CSE becomes sanitized if this is added when in reality, CSE is never appropriate.
Barriers	Parental consent requirements, age of consent laws and laws restricting abortion
Commodities	Contraceptives
Comprehensive Sexual and Reproductive Health Services	Encompasses any and all services related to “sexual rights” listed below
Comprehensive Sexuality Education (CSE)	Note: CSE is most often indoctrination on gender ideology, homosexuality, abortion, promiscuity, masturbation, radical feminism and sexual rights that is designed to sexualize children and turn them into sexual rights activists
Confidentiality and Privacy	Access to information and services - usually in regard to abortion, sexual information or contraception - without the knowledge or consent of parents

Consent	Asking someone for sexual favors regardless of age. Note: Under the guise of teaching “consent,” many CSE programs have role plays where young children are asked to seduce each other (ask for consent) to engage in sexual acts.
Culturally Appropriate	Advances respect for and rights of LGBTQI people
Discrimination	Denying women abortion, which is a service only needed by women. Refusing to support LGBTQI rights or holding religious values in support of traditional marriage.
Discrimination Against Adolescents	Parental consent and age of consent laws, denying them CSE
Discrimination Against Women	Denying women abortion, which is a service only needed by women, or denying lesbians special rights. Denying men who dress as women the “right” to be treated as women.
Discrimination, Multiple and Intersecting Forms	Discrimination based on “identities” including LGBTQI identities
Diverse Practices Related to Sexuality	LGBTQI sexuality
Diversity	LGBTQI-inclusive
Diversity, Women in All Their	Men who identify as women
Education for Sustainable Development (ESD)	LGBTQI affirmative education
Education, Information and Counseling on Human Sexuality	Comprehensive Sexuality Education
Emergency Contraception	Chemicals that prevent implantation of a fertilized egg
Essential Health Care Services	Abortion
Essential Medicines	Abortifacients
Evidence-Based	Non-religious sexuality education (cannot include abstinence programs) that is backed by biased studies done by CSE advocates
Evolving Capacities of the Child	Note: This is a deceptive term used as a way to allow children to make autonomous decisions - especially related to contraception, abortion, use of cross-sex hormones or surgeries - without parental knowledge or consent claiming the child’s “capacity” has evolved and therefore their age is inconsequential for accessing SRH services like abortion.
Families	LGBTQI families
The Family	Patriarchal, oppressive families that deny children and women their rights
Family Life Education	Comprehensive Sexuality Education
Family Planning	Abortion and contraceptive services
Family, Various Forms of	LGBTQI families
Fertility Regulation	Abortion
Forced Pregnancy	Forcing a woman to remain pregnant by not providing her with an abortion

Gender	Male and female plus over 100 additional genders recognized on Facebook
Gender Affirming	Transgender affirming
Gender Analysis	Analyzing LGBTQI issues
Gender Bias	Believing people can't change their sex. Bias against a person's LGBTQI status.
Gender Equality	Equality between men and women and boys and girls, but also equality between homosexuals and heterosexuals, and transgenders and non-transgenders with regard to "sexual rights"
Gender Identity	Self-perceived identity, could be male or female, neither, both, a combination of male or female, or one of over 100 bizarre genders
Gender Non-Conforming	Transgender or rejection of birth sex either in one's self-perception or in dress or mannerisms
Gender Norms	LGBTQI affirmative
Gender Responsive	LGBTQI responsive
Gender Role	Traditional stereotyped roles for males and females
Gender Sensitive	LGBTQI sensitive
Gender Stereotypes	Traditional stereotyped depictions of males and females and/or their roles
Gender Transformative	LGBTQI transformative
Gender Variant	Transgender-identified person
Gender-Based Violence	Violence against LGBTQI people, especially transgenders
Give Access	Ensure government funds for and removal of any legal restrictions
Global Citizenship	LGBTQI affirming behavior
Harmful Gender Norms	Religious beliefs
Harmful Practices	Religious practices and beliefs with rigid sexual standards
Health Rights	Any claimed "sexual rights" listed under "sexual rights" below
Healthy Relationships	Sexual relations where pleasure is equally experienced and sex is uninhibited
Healthy Sexuality	Sexuality that encompasses diverse, pleasurable sexual experiences; acceptance of LGBTQI sexual acts and identities; uninhibited sex
HIV/AIDS Prevention Education	Comprehensive Sexuality Education
Human Rights	Any and all claimed "sexual rights"
Human Rights Defenders	Anyone who advocates for abortion, LGBTQI and prostitution rights
Human Rights Education	LGBTQI, abortion rights education
Inclusive	Embracing homosexuality, promiscuity, transgenderism, etc.
Inclusive Education	LGBTQI education
Informal [Sex/Sexual/Sexuality] Education	CSE outside of schools or on computers or phone apps where parents can't see the content
Informed Consent	Adolescents not needing parental consent

Informed Decision Making	Claiming that children can consent to sexual services or abortions without parental consent if they are properly informed
Interruption of Pregnancy	Abortion
Key Populations	LGBTQI persons, men who have sex with men, prostitutes, drug users
LGBTQI	Lesbian, Gay, Bisexual, Transgender, Queer or Questioning, and Intersex
Life Skills Program	Comprehensive Sexuality Education
Maternal Health	Abortion
Maternal Mortality	Deaths because abortion is illegal
Medically Accurate	Note: This description is used for Comprehensive Sexuality Education programs, claiming only CSE is medically accurate, while abstinence programs are not
Multiple and Intersecting	Being LGBTQI and having one or more characteristics that are targets of discrimination
Multiple and Intersecting Discrimination	Discrimination because a person is LGBTQI and also of another minority
Non-Judgmental	LGBTQI affirming
Or Other Status	Sexual orientation and gender identity
Outcome Documents of Review Conferences	Note: This refers to regional or thematic documents, that have not been negotiated by all Member States, usually in relation to ICPD and Beijing, that have been manipulated by UN agencies to promote abortion and the LGBTQI agenda
Parental Guidance as Appropriate	Parental involvement only when the school feels it is appropriate. Limits parental rights.
Privacy and Confidentiality	Access to information and services, usually in regard to abortion, sexual information or contraception, without the knowledge or consent of parents
Prostitution	Honorable “sex work” that should be legalized
Reproductive Health	Contraception
Reproductive Health Care/Services	Services for abortion and transgender cross-sex hormones and surgeries, etc.
Reproductive Health Education	Comprehensive Sexuality Education
Reproductive Health Services	Contraception and abortion services
Reproductive Rights	Abortion rights and rights for same-sex couples to access reproductive technologies, such as surrogacy, in-vitro fertilization, and adoption of children. (See ReproductiveRights.org)
Right to Education	Right to Comprehensive Sexuality Education, including the right to all forms of sexual information and services, including pornography. (See report on Special Rapporteur on the Right to Education.)
Right to Health	Right to CSE, abortion, transgender cross-sex hormones and surgeries
Right to Life	The right to euthanasia and abortion

Right to Self-Determinism	Right to abortion and transgender hormones and surgeries
Right to Sexual Health	Rights relating to LGBTQI sex and expression. The right to Comprehensive Sexuality Education.
Rights	An all-encompassing term that can include all “sexual rights” listed below, depending on the context
Rights-Based Approach	An undefined, vague, overly broad term that means an LGBTQI and abortion rights-based approach
Risk Reduction Skills	Condoms and contraceptives
Safe Motherhood	Abortion. Having the right to abort one’s baby in order to be “safe” based on the false claim that abortion is safer than child birth.
Safe Schools	LGBTQI-inclusive schools
Safe Spaces	LGBTQI spaces
Science-Based	LGBTQI affirming
Scientifically Accurate	Note: Phrase used to describe Comprehensive Sexuality Education. Claim is made that only CSE is accurate.
Sex Positive	Promotes sexual pleasure and acceptance of diverse sexual practices
Sex Work	Prostitution
Sexual and Reproductive Health (SRH)	LGBTQI and abortion rights as well as promiscuity rights for youth
Sexual and Reproductive Health and Rights (SRHR)	All rights claimed under “sexual rights”
Sexual Education	Comprehensive Sexuality Education
Sexual Health	According to WHO’s “Sexual Health, Human Rights and the Law”: abortion, CSE, transgender cross-sex hormones and surgeries, promiscuity rights for children, and more
Sexual Minorities	LGBTQI individuals and prostitutes
Sexual Orientation	Sexual preferences
Sexual Rights	A right to any sexual activity or expression including any claimed rights related to contraception, abortion, sexual expression (cross dressing, nudity), LGBTQI rights, pornography (sale and use of), sexual relations, age of consent, sexual orientation, gender identity (identity papers, hormone therapy, sex-reassignment surgery, etc.), adultery, sodomy, prostitution, use of public facilities, adoption/fertility treatments, wedding services for same-sex couples, sexual education, and more
Sexuality	According to the WHO working definition for “sexuality”: “Sexuality encompasses gender identities and roles, Sexual orientation, Eroticism, Desires, Pleasure, Attitudes, Fantasies, Behaviors, Roles and Relationships.” (Source: WHO, 2006)
Sexuality and Reproductive Health Information	Comprehensive Sexuality Education
Sexuality, Control Over	Right to abortion and LGBTQI rights
To Eliminate Prejudices	Eliminate negative views about LGBTQI sexual activities

Tolerance	Embracing LGBTQI ideology and lifestyles and supporting rights based on LGBTQI status
Transgender	A person who identifies as something other than the sex they were born with or who is gender nonconforming
Underserved Populations	LGBTQI persons and sexually active adolescents
Violence	Misgendering (not calling them by their preferred pronoun) a transgender person (not calling a person by their preferred pronoun), or withholding abortion from a pregnant woman, or stating views that are unsupportive of LGBTQI issues and rights. All of these things have been construed as psychological violence and are encompassed under the term. “all forms of violence.”
Violence Against Women/Girls	Not allowing abortion, misgendering a person who identifies as the opposite sex from their biological sex
Vulnerable Groups	LGBTQI groups, prostitutes, or drug users
Torture	Providing therapy for someone with unwanted same-sex attraction. Denying a woman an abortion.
With the involvement of children, adolescents, youth	Involvement of youth indoctrinated in LGBTQI and abortion ideology
Women’s Rights	Abortion, lesbian rights
Yogyakarta Principles	Manifesto of the LGBTQI movement promoting every kind of LGBTQI right imaginable
Youth Friendly	Confidential from parents, may provide CSE and abortion
Youth, Bali Global Youth Declaration	LGBTQI and abortion rights declaration written by Planned Parenthood surrogates, claimed to represent all youth. One of the review outcome documents for ICPD.
Youth-led/Youth Participation	Organizations led by youth trained in LGBTQI rights, usually facilitated by organizations like Planned Parenthood or UNFPA
